We had great attendance at our first tryout, but we still have many spots available on our teams! If you can't make any of the dates, we can find another time to get your daughter into the gym, just let us know! Email Club Director Nick Storm (nstorm@minnesotafury.com) with any questions.

We have assembled a very strong coaching staff filled with High school and NCAA coaches, and we invite you to visit our website at www.minnesotafury.com to learn more about our program as a whole.

Our older age level teams will be watched by college coaches from all across the country this coming spring and summer; and your daughter could be next. It truly is an exiting time to be apart of the Minnesota Fury!!!

Minnesota Fury

See what two legendary high school coaches say about the Minnesota Fury:

Josh Thurow, Minnehaha Academy - 2010 AA State Champion

"The Minnesota Fury is one of the premier AAU programs in the Midwest. My players who have played for the Fury have returned to me better all around players. I would recommend the Minnesota Fury program for any player who wants to take their game to the next level. Parents and coaches alike can trust that their player will get quality instruction and experience with the Fury!"

Erin Herman, Hill-Murray - 2010 AAA Coach of the Year

"My players have thoroughly enjoyed their experience in the Fury program. They have had the opportunity to learn, and improve their skills in a fun, safe and family friendly environment. They have been able to travel and participate in top tournaments around the country. They have gotten top coaching and exposure in a very organized environment."
