The Minnesota Fury AAU Club focuses on player development through top notch coaching and elite competition. Our coaching staff features more current and former High School head coaches and NCAA Coaches than any other AAU program in Minnesota. Playing with us in the spring/summer is your chance to be coached and taught by the best in the business!

Our teams practice approximately 2 times/week with a combination of weeknights and weekends. Teams play in 5-7 local tournaments April-June, while 2013, 2014, & 2015 teams will play in Regional and National NCAA Exposure tournaments in April and July. Our 2016 and 2017 teams will also play 1-2 out of town tournaments somewhere in the Midwest. Complete schedules will be released in early 2012.

### See what two legendary high school coaches say about the Minnesota Fury:

**Josh Thurow, Minnehaha Academy - 2010 AA State Champion**

"The Minnesota Fury is one of the premier AAU programs in the Midwest. My players who have played for the Fury have returned to me better all around players. I would recommend the Minnesota Fury program for any player who wants to take their game to the next level. Parents and coaches alike can trust that their player will get quality instruction and experience with the Fury!"

**Erin Herman, Hill-Murray - 2010 AAA Coach of the Year**

"My players have thoroughly enjoyed their experience in the Fury program. They have had the opportunity to learn, and improve their skills in a fun, safe and family friendly environment. They have been able to travel and participate in top tournaments around the country. They have gotten top coaching and exposure in a very organized environment. "
